

## **Renew My Church Update Friday, Feb. 26, 2021**

As was already announced, St. Richard and St. Bruno have begun work in the Renew My Church (RMC) process. As a note, this is being done by every parish in the Archdiocese. Those that are on this committee are: Msgr. Peter Galek, Tom Baliga, Kathy Garcia, Renata Kogut, Michelle Napier, John Poineau, Gail Rybakowski and Sharon Skala.

At our first RMC zoom meeting, participants from St. Richard and St. Bruno were invited to say what they loved about their Parish. We would like you to reflect on that yourself: "What do you love about St. Richard?" How does it make a difference in your life? How are you contributing in time, talent and treasure to keep it all going? Wonderful parishes only happen because of wonderful people.

During the 2nd zoom meeting, participants from St. Richard and St. Bruno were asked to list the challenges and strengths of each church. What are your thoughts on strengths and challenges that St. Richard has? On Saturday morning, we had a 4-hour zoom retreat which brought us to Easter week. We were given ideas about the meaning of Holy Thursday, Good Friday, Holy Saturday and Easter. As you can tell, your RMC team has been spending many hours on this road and we will continue to do so.

Please keep us in your prayers as we continue on this journey. If, at any time, you have any questions, please don't hesitate to contact one of the committee members.
